Dear Brothers and Sisters in Christ by Mbat

With joy and gratitude we send you our warm Easter greeting.

At this special time of the year, we reflect on the suffering, death and resurrection of our Lord Jesus Christ. His victory over death gives us hope, strength, and new life.

Especially in a world where worries and challenges can affect us, Easter reminds us that the light is stronger than the darkness, and that God's love always wins.

We feel connected to you in faith, prayer and mutual commitment, despite the distance that separates us.

We pray that the joy of the Resurrection will fill your hearts, strengthen your congregation, and bring peace, hope, and blessings to all of you.

Have a blessed Easter!

With kind regards,

Parish Sliedrecht
